## ATM Access

JHFCU offers one of the most flexible ATM programs in the region. If you have direct deposit to your JHFCU account, you can make up to 10 withdrawals each month from **any** ATM without JHFCU surcharges.\* Accounts without direct deposit are permitted 2 free withdrawals per month.

JHFCU has its own network of strategically-located ATMs on many of the Hopkins campuses, as well as surcharge-free access across the nation and even some overseas. Due to a special agreement with M&T Bank, JHFCU Visa Check card holders can use any of more than 1,500 M&T ATMs in Maryland, Delaware, Pennsylvania, DC and northern Virginia- all surcharge-free! JHFCU is also a member of the CO-OP ATM network, which features surcharge-free ATMs nationwide for both JHFCU ATM and Visa Check card holders.

To find a complete list of surcharge-free ATMs, visit our [ATM locator at jhfcu.org](http://jhfcu.org).

Text 692667 (MYCOOP) from any mobile phone to receive the address of the nearest CO-OP Network surcharge-free ATM, or download the CO-OP database directly to your Garmin, Tom Tom, or other GPS device from [co-opnetwork.org](http://co-opnetwork.org)\*\*

 **M&T Bank** †

Use your ATM or Visa Check card to make a Point-of-Sale (POS) purchase and get cash back with no fee!

\*Members are responsible for any surcharges the ATM owner may impose. After the initial free ATM withdrawals, there is a \$1.50 charge per withdrawal with direct deposit, or \$1.75 charge per withdrawal without direct deposit.

\*\*Like CO-OP Network ATMs, 692667 (MYCOOP) is a surcharge-free service. But check with your mobile phone provider as standard text messaging rates apply. You won't receive any unsolicited messages by using 692667 (MYCOOP).
