SPECIAL
JOHNS HOPKINS HOSPITAL EMPLOYEE
Tuition Loan
for Johns Hopkins School of Nursing through

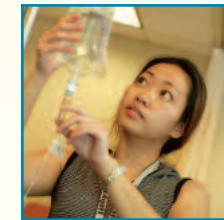

THE JOHNS HOPKINS
FEDERAL CREDIT UNION

JOHNS HOPKINS FEDERAL CREDIT UNION
Serving the Johns Hopkins community since 1971

Introducing the Interest-Free* Special JHH Employee School of Nursing Tuition Loan Program

SOME OTHER FACTORS TO CONSIDER

- ▶ JHH employees must have been employed and in good standing with the hospital for 60 days before applying
- ▶ Tuition reimbursements become taxable after \$5,250 and can affect your reimbursement amount—you will need to cover the difference to pay off the loan
- ▶ Part-time employees are eligible up to allowable tuition remission amounts
- ▶ If you leave employment or otherwise are not considered a full-time employee in good standing during the loan term, you will be responsible for the loan payment with interest
- ▶ The interest rate will be equal to the Credit Union's 60-month New Car rate at the time of loan disbursement
- ▶ As a Credit Union member, you will be eligible to take advantage of JHFCU's complete array of services—see the back for a complete listing

The Johns Hopkins Federal Credit Union, Johns Hopkins Hospital, and Johns Hopkins School of Nursing have partnered to provide Hopkins employees with a unique financing option for the nursing school tuition.

With special funding from a gracious benefactor, the program allows JHH employees who are enrolled in the School of Nursing to use short-term loans from the Credit Union to fund each semester's tuition payment with no interest charges.* Once the employee completes a semester's coursework with qualified grades, he or she can request reimbursement for the tuition from JHH and use the proceeds to pay off the loan.

WHAT TO DO

Taking advantage of this special program is easy! Just visit JHH Human Resources (HR) office to begin the process. Below is a list of the other program details.

- ▶ Bring your completed and signed BLUE tuition reimbursement form and verification of your course and/or tuition amount to JHH HR
- ▶ JHH HR and JHU SON will verify your student and employment status and contact you to notify you that you can go to the Credit Union to process the loan application
- ▶ If you are not currently a member of the Johns Hopkins Federal Credit Union, you will need to establish an account. (The minimum required deposit to open the account is \$25—this is not a fee and can be opened via payroll deduction)
- ▶ Credit requirements are minimal—no lengthy approval process
- ▶ Credit Union funds will be payable to the School of Nursing
- ▶ Upon completion of the course, the Hospital tuition reimbursement should be used to pay off the JHFCU loan
- ▶ The program is available for all three semesters and can be used repeatedly throughout your enrollment
